BUSINESS PROFILE OF THE COMPANY

Pithampur Poly Products Ltd. is a leading manufacturer-exporter for PP woven fabric, woven sacks and FIBCs/Bulk Bags, with a capacity to produce approximately 2.5 million Bulk bags per annum. The company had a turnover of Rs 150 Million in the Financial Year ending March, 2004 and is proposing a turnover of Rs 180 Million in this Financial Year ending March, 2005. We are an ISO 9001:2000 certified company, exporting our products to various countries like Australia, Europe, UK & USA. We have one of the most integrated plants in India to produce Bulk bags, with all facilities present under one roof.

We are a Public limited company and have been listed in Bombay Stock Exchange (BSE) in India over several years now. It is the enormous support of our share holders, who have not only invested in our company but also trusted us for giving them a fine performance that boosts our confidence to give better results each year. In fact, we firmly believe that our shareholders are as important to us as our customers since they are also our partners as our customers.

Our factory is located in the central part of India at one of the most up coming industrial areas - Pithampur, which is approximately 560 kms /400 miles north-east of Mumbai. The company has to its advantage the facility of an offshore container depot close to the factory, which enables timely shipments to any destination around the world. The other office operations such as Marketing and Sales, Finance and Purchases are handled from the head office at Indore, a leading industrial city in the state, which is well connected by Air, Rail and Roads to both Mumbai and New Delhi.

It is our endeavor to manufacture all our products with high quality standards and required certifications to cater our various customers globally. Our quest of quality and innovation reflects in every process of manufacturing from high quality extrusion to multi-colour printing and in-house bag testing, which makes us World leaders in manufacturing World class FIBCs / Bulk bags.
